Less than an hour after opening its doors to the public last Thursday, the new Chesterfield Township Library was visited by its first patron.

"I was waiting" for this opening, said Michelle Kellogg of Chesterfield. "I am sick of driving all the way to the Macomb County Library — it's too far."

Although a few small details were yet to be handled, the new township library, located in the Chesterfield Mall off 23 Mile Road, is now open for business.

The public is invited to a special library open house planned for this Saturday, Jan. 11, 10 a.m. to noon.

The Chesterfield Library is a branch of the Macomb County Library, according to librarian Mary Jo Stine.

Visitors will find a large collection of popular and current fiction books, as well as young adult and children books.

A selection of popular movies on video cassette is also available for rental at \$1 per day per title for up to three days.

The library's book borrowing service is free to Chesterfield residents. There is a one-time \$5 charge for out-of-township residents.

Library hours are Monday, noon to 6 p.m.; Tuesday, 2-8 p.m.; closed Wednesday; Thursday and Friday, noon to 6 p.m.; and Saturday, 10 a.m. to 4 p.m.
