www.chelibrary.org
Greetings from your Chesterfield Township Library! Officially established by voters during the election of November 1994, the Library is preparing to celebrate its 25th anniversary throughout 2019. We invite all residents to join in the events that will mark this important moment in the history of our community.

Today, public libraries are more important than ever, providing equal access to ideas, information and resources that meet the diverse needs, interests and perspectives of each individual in our community. Public libraries provide critical services to residents of every age and socio-economic background. What is the value of your public library? September is Library Card Sign-up Month. Library cards are free to residents and allow access to all library services.

A quick inventory of average costs for common services illustrates the terrific return on investment provided through your public library. Libraries are a smart investment. As Chesterfield Township Library lifts one individual, the entire community thrives.

-Elizabeth Madson
Library Director
